

## Salomé Lamas

### *Parafacts*

22 February 2020 - 28 March 2020

On February 22nd at 4PM, Kubikgallery (Rua da Restauração nº6, Porto) opens the exhibition “**Parafacts**” by **Pedro Tudela**.

With the title *Parafacts*, the exhibition gathers three works produced between 2017 and 2018. There are two video installations and a photographic series that explore recurring questions within Salomé Lamas’ work. Playing with the limits and intersections between fiction and documentary record, the articulation among narrative shapes, the memory experience and the critical meditation about history, are possibilities activated by the artist to heckle conditions and ways of living nowadays through an imaginary that privileges the aesthetic and psychological dramatization and intensity.
